WINTER CIGAR DINNER UNDER A COLD STARRY SKY

With its Winter Cigar Dinner, **Bertie** recreated the success of the Summer edition. 40 passionadas and passionados gathered on a cold winter night for the first-ever event held on the Poolside of the **St Regis Hong Kong**.

Guests enjoyed pre-dinner drinks with an **Arturo Fuente Don Carlos No.3** before moving on to the very long table for appetizers and a delicious buffet of main courses paired with **Joya de Nicaragua Clásico Medio Siglo Robusto** and **C.L.E Corojo Corona**.

The dinner ended with a selection of cheese and desserts, **Oriental Gin, Armagnac de Marcillac 1972** and rare rhums and whiskies paired with the newly released **Confidencial Torpedo** and **Villa Zamorano Danlí Toro**. Eric Piras & **Antoine Riberet** also surprised the guests with a **Juan Lopez Selection No. 2**, offering a delightful panorama of cigar terroirs.

The volume of conversations and laughter increased as the night nicely moved along, and the cigar boxes were all empty at the end of the evening, a tribute to how much the guests enjoyed smoking under the cold starry sky in such great company!

Eric Piras said "We aimed to equal the success of the first Cigar Dinner, and I think the challenge has been taken on with brio! Having such a wonderful dinner in a very special setting is also a perfect way to showcase the brands distributed by Cigraal."

All of Bertie's fans are already enquiring for the date of the next dinner of the series!
