A TWO-COUNTRY WOMEN'S DAY CELEBRATION

International Women's Day at **Bertie Cigar Lounge Hong Kong** is now a well-established celebration; this year again it's been a huge success... and a double one!

The novelty for 2025: the Cigraal team, who manages Bertie Cigar Lounges, travelled the next day to Cambodia and also celebrated in **Bertie Cigar Lounge Phnom Penh**, for the first time!

In both lounges, the start of the evening was reserved to ladies; seasoned passionadas mingled with enthusiastic beginners, all enjoying the **Flor de Selva** Colección Clásica Tempo, Robusto and Petit Corona, Colección No.20 Egoista or Tempo, as well as the Flor de Selva No.15 Maduro and Año del Dragón Limited Edition.

This year, Bertie Hong Kong partnered with **Royal Caviar Club** and **OnTheList**, offering acclaimed gifts of artisan chocolate, delicious caviar and premium memberships for flash sales.

Bertie Phnom Penh's event was generously sponsored by **Horizon Optics**, **Kanika Boat**, **Kambio**, **Kellinya Gourmet** and **Samai rhum**, delighting the winners.

A celebratory cigar band was created especially for the event by other sponsor **Calamansi Designs**; the band included a hidden number on the inside, which was used for the very lively lucky draws in both countries.

Eric Piras said "In Bertie, we're building a strong following of ladies; we strive to provide a safe place where women are welcome and at ease when they want to appreciate a cigar. We are really pleased that ladies can now enjoy the same atmosphere in Cambodia!"

Agnès Caër-Piras from Calamansi Designs, said "This year again, Calamansi is thrilled to sponsor this amazing event; it is truly becoming a fixture in the cigar scene in Hong Kong and we foresee that it will be the same in Cambodia!"

Not a minute later than their "allowed" time, men came in and Bertie was buzzing with chatter and laughter, while guests made the most of the excellent Flor de Selva smoke and fantastic wines provided by Bertie .
