SUMMER CIGAR DINNER TROPICAL EVENT AMONGST SKYSCRAPERS

The first cigar dinner organised by **Bertie** was an absolute success! 50 passionadas and passionados gathered on a warm Tuesday night in the **Murray Hong Kong Hotel**, on a terrace amongst the skyscrapers.

Guests enjoyed posing in front of the backdrop with their **Cumpay Short** or the **Murray Private Label** cigar, and then moved on to the dinner tables to marvel at the **Totem** ashtrays and enjoy a selection of antipasti.

Between the starters and the main courses, they were offered **Arturo Fuente Don Carlos Robusto** and **Eiroa The First 20 Years Colorado Robusto Prensado**, and the dinner ended with a selection of desserts, **Armagnac de Marcillac** and rare Cuban rhums paired with **Cinco de Cinco Robusto from Joya de Nicaragua** and **Confidenciaal Fiftytwo**.

The cigars were served directly at the tables with a flourish by **Antoine Riberet**, **Marvin Choi** (both from Cigraal) and **Antoine Piras**. A generous and very five-star experience for the guests who couldn't help being surprised and impressed.

Eric Piras said "We wanted to give Bertie's client the opportunity to enjoy a 'real' cigar dinner, one where you can smoke and dine at the same time. For many it was their first time and we all really had a fantastic night!"

A Tuesday that really felt like a Friday!
